

Extracurricular & Leadership Planner

A one-page worksheet to pick a focus, define outcomes, and track proof.

Goal

Build a small set of activities with measurable outcomes (direction → contribution → follow-through).

10-minute self-audit

- ☐ Impact: Did something change because you showed up?
- ☐ Ownership: Did you own a process, deliverable, or result?
- ☐ Duration: Did you stay long enough to build skill and trust?
- ☐ Selectivity (when relevant): Did you earn your spot or compete for it?
- ☐ Evidence: Can you prove it with numbers, outcomes, or a concrete artifact?
